

Starting your patient on
KYNMOBI® (apomorphine HCl) sublingual film

3 SIMPLE STEPS

HOW TO START YOUR PATIENT'S KYNMOBI JOURNEY:

1

ENROLL YOUR PATIENT ONLINE

- Complete the **Enrollment Form at www.KYNMOBIHCP.com/enrollment-form**
 - Your patient will then need to complete the Patient Support Agreement, which will be emailed and texted to them

2

CHOOSE THE OPTIONS THAT BEST FIT THE NEEDS OF YOUR PATIENT

- Choose how your patient will obtain a **Patient Starter Kit**:
 - Provided by you in your office OR
 - E-prescribed by you to **Careform Pharmacy**
- Choose the **personalized dosing support and education** option that's right for your patient:
 - Offered by a Clinical Educator OR
 - Provided by you and your office staff

3

ONCE DOSE IS DETERMINED, WRITE THE KYNMOBI PRESCRIPTION AND SEND IT TO CAREFORM PHARMACY*

KYNMOBI® KYNNECT

Individualized support that fits the specific needs of your patients and practice

WE'RE HERE TO HELP:

Enrollment Support

- Upon enrollment, your patient's dedicated KYNMOBI® KYNNECT Support Team will **call to introduce themselves** and let you and your office staff know what to expect throughout each patient's onboarding journey
- Coordinate the delivery of a Patient Starter Kit **directly to your patient's home**, if needed

Benefits Investigation

- We will provide any additional benefits support if needed, including **prior authorization (PA)** and **appeals support**
- Within **6 hours** of enrolling a patient, we will send the benefits verification to your office
- If a PA is required, it will be uploaded to your Electronic Health Record system within **1 minute**
 - The KYNMOBI® KYNNECT team will follow up within **24 hours** to address any questions

Dose Optimization (if Titration and Education Support is chosen at enrollment)

- **A Clinical Educator will be assigned** to support and educate your patients as they work to find their personalized dose and will coordinate these visits **directly with them**. They will also provide you with updates along the way so you'll know exactly where your patients are in the process

Prescription Fulfillment

- Once you determine your patient's personalized dose, send the prescription to **Careform Pharmacy** and we will **coordinate fulfillment and shipment to your patient's home or pharmacy**
